

PhD e Post-doc positions, Centro de Biología Molecular Madrid

PhD Award

The laboratory at the Centro de Biología Molecular (CBM) directed by Prof. Beatriz Lopez-Corcuera in Madrid (Spain) has been selected as eligible for hosting an excellent PhD student awarded with a Doctoral INPHINIT fellowship incoming programme. These are very prestigious and convenient fellowships by "La Caixa" Foundation for abroad students who wish to make the PhD in Spain. Please see the web site at:
